[HOMELESSNESS -What can we do?](#)

According to the charity Crisis, on any given night around 1 in 100 households in England are experiencing the worst forms of homelessness. Forecasts show homelessness rising significantly in the immediate future, with inflation squeezing real incomes and increasing poverty and destitution, alongside rising private rents and evictions. Many people in our Diocese will be affected by this housing crisis but it can be difficult to know how to help. Why not join Caritas Diocese of Plymouth on Zoom on **Wednesday 17th January from 6.00pm to 7.00pm** to pray and reflect on this important issue and to hear from charities across our Diocese about what they are doing and how we can respond. St Petrocs Cornwall and Routes to Roots based in Poole will be sharing their work and insights. To register to receive the Zoom details <https://forms.office.com/e/VVp5t5qU7F>

[Lepra Centenary Year Appeal 2024](#)

World Leprosy Day is always at the end of January. This year there will be a Retiring Collection on **Sunday 28th January 2024** in support of this charity. Over 3 million people are living with undiagnosed leprosy, which if not treated early enough, may result in life-changing physical and mental health issues that can destroy people's lives. Leprosy, although curable is sadly surrounded by myths and discrimination, which often prevent people from coming forward to seek treatment. The charity Lepra, is working across India and Bangladesh with the aim to change the negative that surrounds the disease of leprosy and are committed to making sure that people affected by leprosy have the chance to live with dignity and their disease be of little adverse consequence to their lives More information can be found on our website at www.lepra.org.uk. Thank you for your support.
