We were delighted to hear the news that, come 13<sup>th</sup> September, we will have a Parish Priest !! **Fr David McLean OP** will be coming to the Ivybridge Parish. You can "Google" him on the Dominican's website and under "Torch" you can read some of his homilies.

**THE "NEW NORMAL"** Since things are slowly getting back to what we were used to, things you will need to do when you come to Mass are:- 1) You may wear a facial covering and gloves if you wish. 2) You must use the hand sanitiser before attending Mass/entering the church. 3) You must give your contact details to a steward for Track and Trace. They will be kept for 21 days. 4) The priest will explain the differences within the Mass. 5) You may discard your facial covering and gloves in the bin by the exit. The full list is set out in the attachment.

## Attending Public Masses. What you will be expected to do.

1 Comply with the test and trace requirements. This means that the names and contact details of everyone gathering for a mass will be recorded. This record will be kept for 21 days and then destroyed, unless within those 21 days one of the people at that mass is diagnosed with Covid, in which case the details will be passed on to the health authorities. You can comply with this requirement by writing your names and contact details (telephone or email) on a slip of paper and handing it in as you enter. Or you can give your details to a steward outside who will write them down.

2 Comply with the now normal behaviour we are getting used to in church. sanitize your hands entering and leaving the church. observe the 2m distance between households not use the pews or enter areas that are roped off. ensure children are supervised, no unaccompanied under 16 will be admitted. follow the directions given on notices or by the stewards.

3 Light candles before mass if you remember To avoid pinch points we will be receiving communion at the end of mass near the door of church as we leave church. This means there will not be an opportunity to light a candle after mass, so try to remember to light candles before mass starts.

### What the Stewards will do at mass

1. Collect or take names outside church as people arrive
2. Show people where to put collection money if they would like to leave some
3. Help people to find seats and so on
4. Direct people to leave their seats at the end of mass so we don't all try to get up at once.

## A big thank you to our stewards for what they are doing.

### What those sanitizing the church between masses will do

We have antibacterial sanitizer spray, and this will be used to sanitise the surfaces people are likely to touch, that is the pews and kneeler, votive candle stands, doors and handles. Other general cleaning will carry on along side this

***A big Thank you to Fr Petroc who has helped us both before and since Fr James died, providing us with priests to celebrate Mass and , during the pandemic , behind the scenes so we are still able to function as a Parish.***
