HOME VISITS are now allowed. If you know of any parishioner who would like to receive Holy Communion at home, please contact the Parish Office.

THE GOD WHO SPEAKS: The next sessions of the Diocesan teaching tour have had to be postponed. BUT...the talks which were enthusiastically received have been recorded and are available on the Diocesan website.... <https://www.plymouth-diocese.org.uk> and on Facebook (@plymouthdiocese on Facebook).

MASS AT THE PRIORY Once more we are celebrating Mass at the Priory in the Open Air which is much safer during the present pandemic. We welcome Fr Petroc who will be the Celebrant again. Please keep praying for dry Sundays over the next few weeks! I think the Karaoke system was effective and hopefully everyone could hear.

We were delighted to hear the news that, come 13th September, we will have a Parish Priest !! **Fr David McLean OP** will be coming to the Ivybridge Parish. You can "Google" him on the Dominican's website and under "Torch" you can read some of his homilies.

THE" NEW NORMAL" Since things are slowly getting back to what we were used to, things you will need to do when you come to Mass are listed on the attachment. At the moment we are able to have open air Masses which is safer, and, I think we are all enjoying the experience having been blessed, so far, with excellent weather.

YOUTH EVENTS IN THE DIOCESE

September 26th. There will be workshops for young people to discuss the future of our planet and ways we can teach others to look after it. Workshops will be offered on ZOOM . We plan to share a prayer service at St. Peters, Crownhill later that day. Bookings will be taken in September.

In October there will be a series of 5 sessions, exploring the Faith, Music and Creativity. One Hope Project will lead 3 of the discussions. These are aimed at young people aged 13=21. Lastly we are looking for young people across the diocese to help put together a short film of prayer and reflection. We are looking for people to sing as well as those that will share thoughts, reflections and read prayers. The theme will be; My spiritual journey, living through COVID 19. If you are interested in either of those events or any future events, please email : youth@prcdtr.org.uk

Attending Public Masses. What you will be expected to do.

1 Comply with the test and trace requirements. This means that the names and contact details of everyone gathering for a mass will be recorded. This record will be kept for 21 days and then destroyed, unless within those 21 days one of the people at that mass is diagnosed with Covid, in which case the details will be passed on to the health authorities. You can comply with this requirement by writing your names and contact details (telephone or email) on a slip of paper and handing it in as you enter. Or you can give your details to a steward outside who will write them down.

2 Comply with the now normal behaviour we are getting used to in church. sanitize your hands entering and leaving the church. observe the 2m distance between households not use the pews or enter areas that are roped off. ensure children are supervised, no unaccompanied under 16 will be admitted. follow the directions given on notices or by the stewards. Also, it is now recommended that face coverings should be worn when inside churches.

3 Light candles before mass if you remember To avoid pinch points we will be receiving communion at the end of mass near the door of church as we leave church. This means there will not be an opportunity to light a candle after mass, so try to remember to light candles before mass starts.

What the Stewards will do at mass

1. Collect or take names outside church as people arrive
2. Show people where to put collection money if they would like to leave some
3. Help people to find seats and so on
4. Direct people to leave their seats at the end of mass so we don't all try to get up at once.

A big thank you to our stewards for what they are doing.

What those sanitizing the church between masses will do

We have antibacterial sanitizer spray, and this will be used to sanitise the surfaces people are likely to touch, that is the pews and kneeler, votive candle stands, doors and handles. Other general cleaning will carry on along side this

A big Thank you to Fr Petroc who has helped us both before and since Fr James died, providing us with priests to celebrate Mass and , during the pandemic , behind the scenes so we are still able to function as a Parish.
