FOCOLARE The Focolare Movement takes its inspiration from Jesus' prayer "may they all be one" (Jn 17:21) It began in Italy during the war, by a group of Catholic women and has grown into worldwide community of people of all ages and backgrounds, including other Christian denominations, as well as other faiths and people of goodwill. The movement is convinced that dialogue based on mutual love is the only way to build a more united world which is based on universal values such as justice, equality, truth and peace. The Word of Life groups take a small piece of scripture from the readings of the month and discuss how we can "live" the Word in our daily lives.

The WORD OF LIFE group meets every third Monday at 7.00 pm at 20 Whiteford Road, Mannamead, Plymouth PL3 5LX. Refreshments are provided.
