“Rivers do not drink their own water; trees do not eat their own fruit: the sun does not shine on itself and flowers do not spread their fragrance for themselves. Living for others is a rule of nature. We are all born to help each other. No matter how difficult it is ....Life is good when you are happy; but much better when others are happy because of you.” Pope Francis Facebook.

**PARISH PASTORAL COUNCIL** In accordance with current government guidelines, the meeting of the “old” PPC on Tuesday 6<sup>th</sup> October can now not take place. However, we would like parishioners to consider what contribution they could make in helping the parish. Either by standing for a position on the PPC, or, maybe taking a rest and letting someone else stand instead. If you are willing to serve, please let us know.

**SPUC** During the Coronavirus pandemic unborn babies and their mothers have been at an even greater risk of abortion. The Government's “Pills through the post”, brought in as a Covid measure, means that 23,000 women aborted their babies at home during lockdown. Please help to spread the truth about DIY abortion and save women and babies the tragedy of abortion. You can sign the petition on <https://spuc.org.uk/SaveTheRightToSaveLives>
